Forecast for Friday 05 Mar 2021

Weather: Snow showers clearing in early hours, with skies clearing overnight and a frost developing. Then a chilly, rather frosty start, with perhaps the odd freezing fog patch in valleys. Any fog will clear in morning then a mostly sunny day, though some cloud around by the afternoon. Clear spells in evening and frost quickly returning.

Chance of cloud free mountain/hill tops above 600m: 80% or more

Visibility: Good or very good, but very poor in any early fog and poor at height in any cloud, with perhaps occasional broken cloud above 600-800m
